

A modern bathroom with a large shower unit and a woman looking out at the ocean. The shower unit is a tall, slender, free-standing unit with a curved showerhead. The woman is standing on a balcony or terrace, looking out at the ocean. The background is a bright, clear sky and a view of the sea.

vola®

Mimicking natural rainfall, the dramatic flowing curtains of water from the FS3 deliver adjustable, high-performance bathing from a sculptural free-standing unit. Available in an array of finishes, the hand-crafted FS3 is the ultimate minimal statement.
